

United States Government
FY 02 Trade Capacity Building Assistance (\$US)
THAILAND

Activity Title	Activity Description	TCB Category	FY 02 Total
Action-Oriented Research and Advocacy Against the Use of Children in the Production, Sale, and Trafficking of Drugs	The project is an assessment of the involvement of children in the production, sale and trafficking of drugs in Indonesia, the Philippines, and Thailand. Limited direct action to prevent and withdraw children from engagement in drug trafficking will be undertaken in Thailand. The project will also seek to enhance the capacity of public and private partners and concerned agencies at all levels (national and local, institutional, organizational, community) to combat the engagement of children in drug trafficking. The project will develop a project proposal for a direct action phase to follow this assessment period. Funded and implemented by International Labor Affairs Bureau.	Human Resources & Labor Standards	\$ 166,667
TIATA Government Debt Assistance Program	The Gov’t Debt Team from the Treasury Department is providing resident advisors to help the Government of Thailand to re-establish the government debt market. This will lead to more prudent fiscal policies, a deeper financial sector, a more favorable business climate, and the enabling environment for international trade. Funded and implemented by Department of Treasury.	Financial Sector Dev. & Good Governance	200,000
TIATA Tax Assistance Program	The Tax Team from the Treasury Department is providing intermittent advisors to help the Government of Thailand to improve its tax administration capacity, leading to more prudent fiscal policies, a more favorable business climate, and the enabling environment for international trade. Funded and implemented by Department of Treasury.	Financial Sector Dev. & Good Governance	200,000
Training NTC Commissioners	The objectives of this task order are to support: (1) The adoption and implementation of regulation appropriate to competitive provision of telecom systems and services (2) The development of policies and procedures that are fundamental to a successfully competitive telecom market and (3) The creation of a market environment for information technologies and services that will contribute to economic diversification and growth. Funded by USAID/ANE and implemented by USAID/EGAT.	E-Commerce & IT	125,000
